Dear Mr Kojin,

The President of Cambridge University Boat Club, Mr Henry Pelly, has asked me to thank you so much for the beautiful painting of the Moskva River with the Cathedral Church of Christ the Saviour in the background.

We were thrilled indeed to receive the painting, presented to us by Mme Julia Anikeeva on her recent visit to London to watch the 2009 Boat Race.

Your painting will be exhibited with pride in the Captains' Room of CUBC's Goldie Boathouse here in Cambridge, and will bring so much pleasure to all, and in particular to those of our oarsmen who have been privileged to have been guests of JSA Sports Marketing at The Golden Boat Regatta in Moscow.

Yours sincerely
for Cambridge University Boat Club

J R PRYCE-JONES (Mr)
Executive Secretary
